Because my caregiver encouraged me	0	0	0	0
Other reasons	0	0	0	0
 1.3 Did the study require that Yes No 1.4 Did the study involve taking procedure, or a change in 	ng a drug or a sup	oplement, t <mark>he use of</mark> a ne		dergoing a new medica
O Yes O No O Not sure				
1.5 How much did the study o	lemand of you? (Pick the answer that mo	ost closely describes yo	our experience)
O Simple (for example: a few O Moderate (for example: m O Intense (for example: long complex)	ultiple visits or a	short inpatient stay; onl		
1.6 Before you joined the stud	y, how did the stu	udy team discuss the de	tails of the study with	you?
O Mostly through the email O Mostly while physically in O A mix of conversations tak O No discussions with the st O I do not remember	the same place w king place both pl	ith a member of the stu nysically in the same pla	•	·/video/computer)
1.7 Did the Informed consent	form prepare you	for what to expect duri	ng the study?	
NoYes, somewhatYes, mostlyYes, completely				

Research Participant Perception Survey - SP ID:	
 1.8 Did the information and discussions you had before participating in the research study prepare you for you experience in the study? O No O Yes, somewhat O Yes, mostly O Yes, completely 	our
 1.9 Did the research team members listen carefully to you? O Never O Sometimes O Usually O Always O No Research Team Member Involved 	
 1.10 Did the research team members treat you with courtesy and respect? O Never O Sometimes O Usually O Always O No Research Team Member Involved 	
 1.11 During your discussion about the study, did you feel pressure from the research staff to join the study? O Never O Sometimes O Usually O Always 	
 1.12 Did the research staff do everything possible to provide assistance with any language difference you might have O Never O Sometimes O Usually O Always O No language difference 	ve?
1.13 When you were not at the research site did you know how to reach the research team if you had a question? O Never O Sometimes O Usually O Always	?
 1.14 When you were not at the research site and you needed to reach a member of the research team, were you a to reach him/her as soon as you wanted? O Never O Sometimes O Usually O Always O Did not need to reach the research team 	ble

	Research Partic	cipant Perception Survey	/ - SP ID:	
1.15 Did you feel you were a va O Never O Sometimes O Usually O Always	lued partner in t	the research process?		
1.16 If you considered leaving the	he study, did yo	u feel pressure from the	Research Team to stag	y?
O SometimesO UsuallyO AlwaysO Did not consider leaving the	e study			
1.17 Did the research staff resp	ect your cultura	l background (e.g. langı	uage, religion, ethnic g	roup)?
NeverSometimesUsuallyAlwaysNo cultural issues				
1.18 Did you have enough phys O Never O Sometimes O Usually O Always	ical privacy whil	e you were in the study?		
1.19 Below is a list of possible considering leaving the stu	dy?			
Pain or discomfort related to participation	O O	Somewhat important	O Not very important	Not important at all
Worried about risks of treatment	0	0	0	0
Side effects that occurred during the study	0	0	0	0
Invasion of privacy	0	0	0	0
Too much time spent waiting around	0	0	0	0
Time commitment required	0	0	0	0
Family/work issues unrelated to the study	0	0	0	0
Interactions with research team	0	0	0	0
Not getting test results	0	0	0	0

	Research Partic	cipant Perception Survey	v - SP ID:	
	Very important	Somewhat important	Not very important	Not important at all
Undue pressure to stay in study	0	0	0	0
Problems with study payments	0	0	0	0
Unexpected tests and procedures that occurred during the study	0	0	0	0
Transportation/parking	0	0	0	0
Other reasons	0	0	0	0
1.20 Below is a list of possible staying in the research st		ng in a research study.	How important were t	chese reasons for you in
	Very important	Somewhat important	Not very important	Not important at all
To find out more about my disease	0	0	0	0
Because no other medical options were available	0	0	0	0
To gain access to new treatment/therapy	0	0	0	0
To obtain free healthcare	0	0	0	0
To help others	0	0	0	0
Because of the Research/Health Center's reputation	0	0	0	0
Because I am concerned about the topic of study	0	0	0	0
To obtain education and learning	0	0	0	0
Because of a positive experience in another study	0	0	0	0
Because of family influence/involvement	0	0	0	0
To earn money/payment	0	0	0	0
Because my caregiver encouraged me	0	0	0	0
Because of my relationship with the research team	0	0	0	0
Feeling valued as a research participant	0	0	0	0

	Research Partio	cipant Perception Survey	y - SP ID:	
	Very important	Somewhat important	Not very important	Not important at all
Improved health or quality of life	0	0	0	0
Other reasons	0	0	0	0
1.21 Which of the following th Access to computer, intern Access to comfortable bed Payment/More Payment Support groups Volunteer appreciation Flexible Schedule Accessible parking and stud Planned discharge and prop Summary of overall researc Results of personal lab test Other (please specify)	et, and television dy location per goodbye to re th results shared	esearch team with me	ure study?	
1.22 Please specify other impo	rtant things:			
1.23 Please use the scale below experience, and 10 is the O 0 worst O 1 O 2 O 3 O 4 O 5 O 6 O 7 O 8 O 9 O 10 best	=		research study, where	o is the worst possible
 1.24 What is the highest grade Sth grade or less Some high school, did not High school graduate or G Some college or 2-year deg 4-year college graduate More than 4-year college d 	graduate ED ;ree	ol that you have comple	ted?	
1.25 What is your age? ○ 18-34 ○ 35-44 ○ 45-54 ○ 55-64 ○ 65-74 ○ 75 and over				

Research Participant Perception Survey - SP ID:
1.26 What is your race? (Please choose one or more) American Indian or Alaska Native
☐ Asian ☐ Black or African American ☐ Native Hawaiian or other Pacific Islander
☐ White
1.27 Are you of Spanish or Hispanic or Latino/a/x origin or descent?
○ No - not Spanish/Hispanic/Latino/a/x ○ Yes - Puerto Rican
O Yes - Mexican/Mexican American/Chicano O Yes - Cuban
O Yes - other Spanish/Hispanic/Latino/a/x
1.28 What is your sex?
O Female O Male
O Intersex
1.29 How would you describe your gender identity?
Female (including transgender women)Male (including transgender men)
O Non-binary/gender-fluid/agender
O Prefer not to say
1.30 Is there anything else you would like to share about your experience in the study you most recently joined?

Thank you for your interest and the investment of your time. Your responses will help us to improve the research experience for participants.

Empowering the Participant Voice is supported in part by a grant from the National Center for Accelerating Translational Science U01TR003026 to The Rockefeller University, and Clinical Translational Science Awards UL1TR002553 (Duke University), UL1TR003098 (Johns Hopkins University), UL1TR002001 (University of Rochester), UL1TR001866 (Rockefeller University), UL1TR002243 (Vanderbilt), and UL1TR001420 (Wake Forest University Health Sciences).
